Welcome to the Guyana Police Force Website. I am extremely pleased to be serving as the Commissioner of Police at the inauguration of this website. Indeed it is a welcome advent into the worldwide web of which we can be justifiably proud. This will enable us to provide an additional service as it relates to information in relation to the Force, for the public and the diaspora. It also provides opportunity to showcase the role and work of the Guyana Police Force.

I have been informed that at some earlier stage efforts were made to produce and maintain a domain, but it may have been short-lived.

We hope to provide you with some aspects of the Force's history, current organization and operation. We hope to update this information as it becomes necessary.

Please do enjoy our website.

HENRY GREENE, DSM
Commissioner of Police
